**Re: Construction Update Beaufort Ave, Wilcox St to Church St**

Construction for the Comox Valley Sewer Conveyance Project will be continuing along Beaufort Avenue, between Wilcox Street and Church Street, the week of January 13, 2025.

**Important Information About Traffic:**

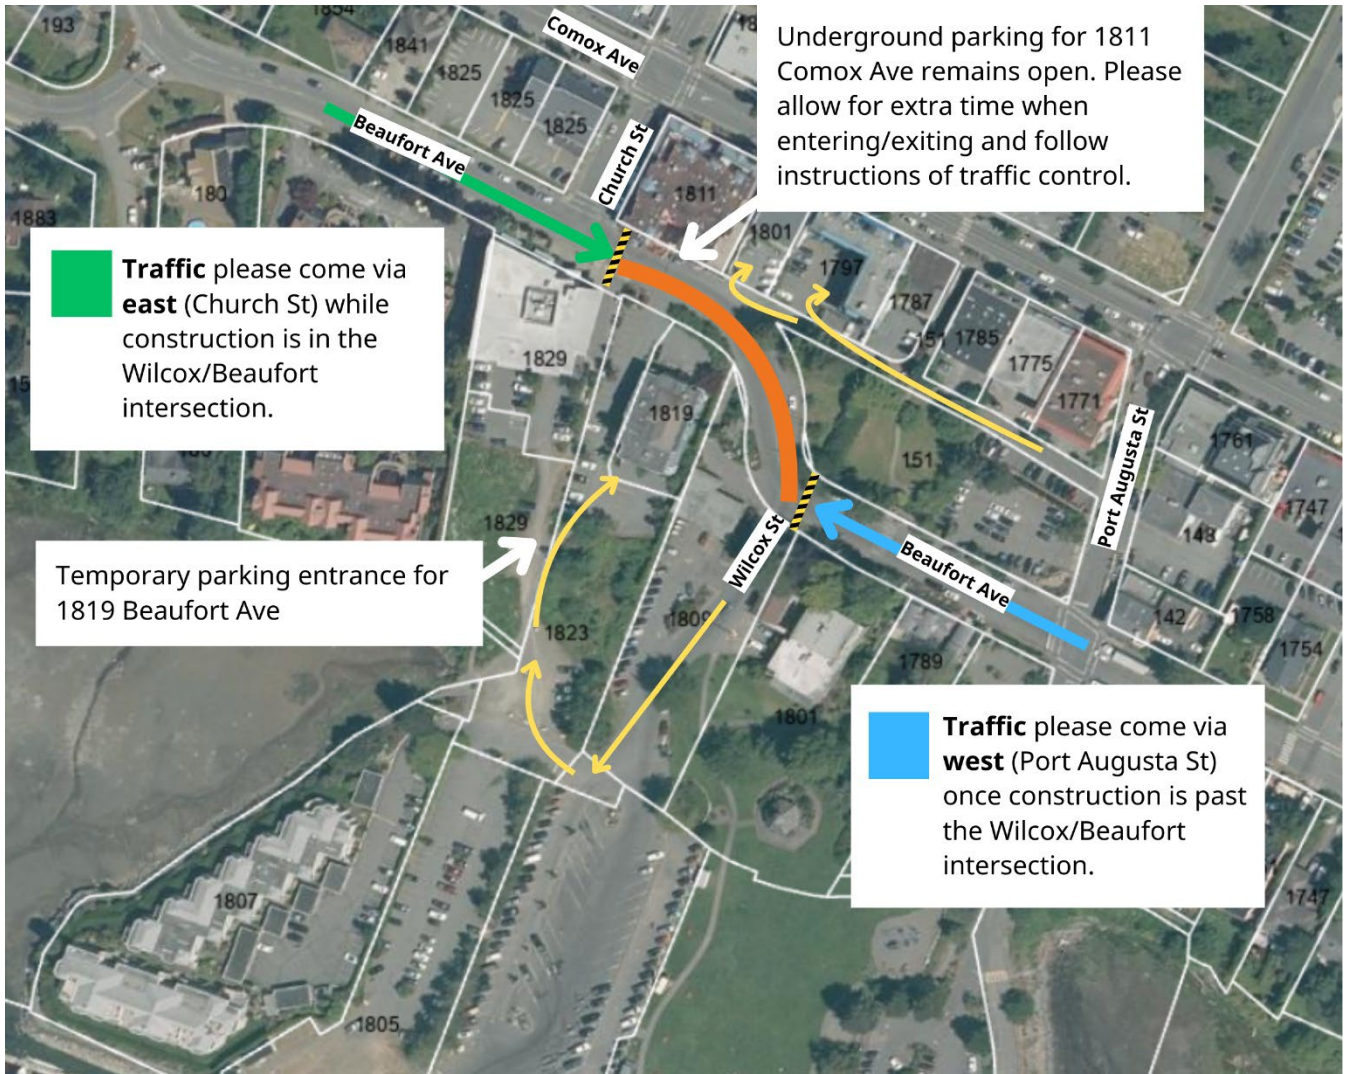

- While construction is located at the intersection of Beaufort Avenue and Wilcox Street, including traffic for the Comox Valley Marina, 1819 Beaufort Avenue, D'Estere Seniors' Centre Association, and Comox Town Hall, traffic will be directed to come via the east – Church Street (MAP 1).
- When traffic moves past the intersection and is on Beaufort Avenue between Wilcox Street and Church Street, traffic will be directed to come via the west – Port Augusta Street (MAP 1).

Estimated start date for this construction is January 13, 2025. Due to the nature of construction, we cannot give exact dates on when the traffic pattern change will occur. Please allow extra time for commuting, follow detour signs and instructions of the traffic control personnel.

Our goal is to provide residents with as much access to your home or business as possible; however, unforeseen issues may arise which require changes to our plans. We apologize for this inconvenience and appreciate your patience and understanding.

We appreciate our community's cooperation in helping to improve the sewer system infrastructure. The best way to stay informed about the project is by visiting our website at [www.engagecomoxvalley/conveyanceproject](http://www.engagecomoxvalley/conveyanceproject) and subscribing to our mailing list by hitting the **+Follow** button.

Sincerely,  
The Comox Valley Sewer Conveyance Team
